Re: U.S. v. Trent Young 08 CR 285

Honorable Judge Karas:

On July 9, 2008, we electronically filed our Reply Affirmation regarding a Motion for a Bill of Particulars in the above-referenced matter.

We were informed this afternoon by A.U.S.A. Marcia Cohen that we inadvertently filed with our papers an exhibit that contained the names of the victims, the exhibit being a letter dated June 24, 2008 from Ms. Cohen.

In order to remedy this error, we immediately contacted Chambers who advised us that they would redact that portion of our courtesy copy filed with Chambers. In reference to our electronic filing, we spoke with the Clerk of the Court who advised that she has altered the document so that it cannot be viewed on ECF. However, she will not delete or seal the document without a direct Order from Your Honor.

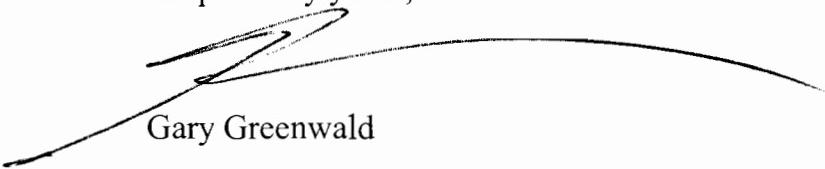

Therefore, we would request that Your Honor direct the electronic filing to either be sealed or deleted. If the same is deleted, we will refile a redacted version of our document. Please advise if we need to refile our document.
